#### Miscellaneous Comments:

- ✓ Why were we squashed together like sardines? Do you need to have dinner? Why not just have the show. That's why I attended.
- ✓ Couldn't understand why we were squashed when there were spare tables. Dinner was good. However: Have you considered just doing the play and charging people less? You might attract a bigger audience if tickets were cheaper - especially in this economic climate.
- ✓ Good choice of intermission music
- ✓ (other performance related comments will be pasted into the comments book)
