# THE UNINVITED

BY TIM KELLY

DIRECTED BY JENELLE ROBERTSON

"The Uninvited" is a mystery thriller set in 1950's England. Roddy Fitzgerald (*Matt Cairns*), a writer, and his sister Pamela (*Lauren McDonell*) move from London to the rural coast of England with their housekeeper Lizzie Flynn (*Maile Thow*). They buy an old manor house known as Cliff End from Commander Brooke (*Octavian Sencariuc*) and his lonely granddaughter Stella Meredith (*Sarah McCrindle*). The mysterious death of the lady of the house 15 years prior complicates Pam and Roddy's lives as they are joined by their friends Wendy (*Tyne James*) and Max (*Brad Woods*) in the search for answers: How did Mary Meredith die? What do Stella and the Commander know? Is Stella's governess, Miss Holloway (*Anna Telford*) hiding something? Meanwhile Doctor Scott (*Jennie Tranter*) and the local gossip, Mrs Jessup (*Terri Sencariuc*) help lead the foursome towards the climactic truth.

## DIRECTORS' NOTE

We have finally made it! "The Uninvited" has been a big challenge for all those involved with the production thus far, especially the technical aspect of this show. I would really like to thank those who have made the set, lighting, and sound come to life; Wes Yip, Anthony Kassulke and Brad Woods. Aside from the difficult choice of staging a ghost story the dialog and characterization has also proved to be demanding. I would like to take this opportunity to congratulate my cast especially newcomers Matt and Lauren who have taken up the challenging lead roles.

This has been a great show to work on and I hope that you all thoroughly enjoy what I believe is an excellent story performed by a very capable cast.
