# Cinderella

*Directed by Jenelle Robartson*

*A whacky  
pantomime  
that will  
have you in  
stitches...*

*Directing a production of Cinderella is something I have wanted to do for a long time. The idea of doing a Pantomime..... maybe not. I found this script and fell in love with the characters and the modern approach it took to a very traditional form of theatre. Getting Cinderella to the ball has been quite a bumpy carriage ride. We have had some new challenges with the ever changing set and the incorporation of vocals into a production. I would really like to thank Wes for making the sound and music happen, and Bernard Durie for coming to my rescue and playing piano for us. The cast of this show have really put in 110% in last few weeks to make this beautifully colourful show come alive. I would like to congratulate the younger members of the cast especially for working very hard in their first MITS production and Yvonne, Mel, Wes and Steven for their huge effort on the set. I really hope you enjoy the show and thank you very much for supporting the arts in Mount Isa.*
