Great ending!!

Great show to all!!

Thanks to all - I haven't had tears
of laughter for ages.

Rixt shows a magnificent leg whilst
the remainder of the cast present marvels
of history.

Rubber & Truncheons - such a beautiful combination Mistress.
and a uniform too - too much.

No other cast could have pulled
it off so successfully.
Well done.

Nothing like a bitch or two to liven things up! What fun -
it was a good cast.

Great play, great food, great actors
great lighting sound & makeup.
Great everything - Thanks Congratulations
& merry Xmas to all my friends.

Well done Maile! You did well with that bunch.
Rixt, your comic timing is second to none! I love
watching you. Janelle, I know that was your outfit
(I saw you wearing it 10 years ago! lol.) Leane, that
trunchon suits you. Ken, you were a little
creaky... Good job. Simon, wear the G-string next
time. Carmen, your lethal with a basting brush.
And the rest of you... THANKS!

Tyne ~~XXXX~~

You lot worry me! ❖ Amiee

Are you aware that you ~~to~~ can see your "tea-bag"
through those lady's panties... oh but ofcourse you
are! Singly the bravest production of The year! and
the scarcest, and the cleanest, I recommended it
to all christian and family groups. Well done,
physically and emotionally a success. Can I add
any more... nice teebag, asses, boobies, legs, kisses
the use of the word pussy and all the rest.

THE POTTER

25/11/06.

THE LENGTH OF THE PLAY WAS NOT AN ISSUE. I COULD HAVE
BEEN AROUND FOR A LOT LONGER WITH THIS TYPE OF ENTERTAINMENT
AND BEEN ENCROSSED AND AMUSED. A GREAT PLAY AND WELL PRESENTED.
THIS HAS HAD TO HAVE BEEN ONE OF THE BEST PLAYS I HAVE SEEN AT
MITS IN THE MANY YEARS I HAVE BEEN COMING HERE.

Jack Gibson

Hilarious, great entertainment and a huge
benefit for our recreation. We have enormous
talent and we appreciate the efforts of MITS

George Oates

Great team work. It appears you're together
+ the performance demonstrates that. I had fun.
Naureen Khan.

Guys I have to say it's been the best time. I have
thoroughly enjoyed the closeness and feeling of
family that you have created. I am really sad
now that it's all over cause I knew that
I probably won't experience this sort of thing again.
You guys have pulled off a fantastic job
and we have created a memory that people
will talk about for a very long time.

Love you all

Now let's get drunk!!!

Brilliant + funny. Lots of laughs + a really good plot. Excellent
direction. Bad handwriting. S.
