Well here I am again, writing another novel.
 You all have pulled it off well & I thorally
 enjoyed myself. Cobos you have really done
 well with the play & the glass is well earned.
 What about the directors cut. Extreanly
 well written & extreanly original. I must say
 that the whole cast has done a tottally
 awesome magnificent & superb job & I
 am happy to say that all the hard
 & strenuous planning & acting has tottally
 paid off. Well done to all & it has
 been a pleasure to watch you all
 make those mega funny bloopers &
 prop malfunctions. All the cast was casted
 extreanly well. loved you all. OK I think I
 am dragging on a bit, & my hand is
 sore & cold... I'd the play to bits.

5/8/06.

A PRATCHET FAN, Very difficult stage management.
 albiet, An extenly Good attempt, Good performes by, for
 Weather wax King, Fool and Magrat, Continuity
 from a second perspective was extenly tedious for
 the audience appraohing, all together a good performe
 under the ~~production~~ ^{theatrical} prevantly casted TDU.

I must say - that Granny Weatherwax is a
sexy piece of work!! Great show, Steve

Once again Nanny is one hot
potato!

Hot potato, hot potato!
